Рис. 16. Схема глобального размещения промышленной нефтегазоносности кристаллического фундамента осадочных бассейнов и нефтегазопроявлений докембрийских щитов:  
 1 — щиты и кристаллические массивы; 2 — орогенные пояса и области; 3 — суша, занятая осадочными бассейнами; 4 — промышленные месторождения нефти или газа, полностью или частично связанные с породами кристаллического фундамента; 5 — нефтегазопроявления на древних щитах
